IN THE UNITED STATES DISTRICT COURT  
DISTRICT OF NEW HAMSHIRE

Josephine Amatucci

v.

Trooper Hawley Rae, Melissa Countway, INDIVIDUALLY

..... Dept. of Safety

MOTION TO INCLUDE THE DEPT. OF SAFETY IN LAWSUIT  
A REQUEST FOR A RESTRAINING ORDER  
AGAINST THE DEPARTMENT OF SAFETY

1. The Plaintiff is adding the Department of Safety as a defendant in this lawsuit.
2. She is asking that a Restraining Order be issued by this Court, IMMEDIATELY, against the Department of Safety to stop them from unlawfully Ordering the Plaintiff to appear to evaluate her driving abilities, when they have not proven , when they refuse to prove under what legal right they have to do so. This is a lawsuit for the violation of my Civil Rights, where the Department of Safety has .....NO DISCRETION..... to violate the Plaintiff's legal rights.
3. The Plaintiff has requested to the Department under the Right to Know law

that they specifically state their legal rights to order her to appear to have her driving abilities evaluated, and they continuously refuse to do so.

4. There are only two reasons why the Department of Safety is insisting to have her driving abilities evaluated, one would be because of her age, however, it is against the STATE LAW to use this as a reason to have her driving abilities evaluated, besidesm it is the crime of.... DISCRIMINATION.

5. And the second reason would be because she contested a traffic ticket her FIRST AMENDMENT RIGHT to do so.

6. None of these reasons give the Department of Safety the LEGAL RIGHT to ORDER her to appear to have her driving abilities re-tested.

7. The Plaintiff states that the STATE has no discretion to take away the Plaintiff's Federal Constitutional rights, that is the rights of the LAW OF THE LAND.

8. In violation of her First amendment right to contest her traffic ticket. Her Fourth Amendment right not to be unlawfully seized, detained, when evaluating her abilities, and without probable cause, as this is a violation of her liberty rights, a violation of Due Process, and Equal Protection. Her right not to be DISCRIMINATED due to her age.

WHEREFORE: It is urgent that this Court expeditiously put a Restraining Order on the Department of Safety to stop them continually ordering the Plaintiff to appear. Until this case is resolved.

Respectfully,

Josephine Amatucci
